The YWCA is a social justice organization and movement with 160 years of experience providing direct service to and advocating on behalf of women, girls and people of color, across economic and gender lines. We have a deep and abiding commitment to collaborating with business, political, and community leaders on intersectional issues toward a more equitable society. Our Salute YW Academy of Women Leaders Luncheon, now in its 45th year, exemplifies YW's historic mission to eliminate racism, empower women, and promote peace, justice, freedom, and dignity for all.

## **WHAT IS THE YW ACADEMY SALUTE LUNCHEON?**

The luncheon is the nation's premier tribute to women leaders in various industries and sectors. [www.linkedin.com/in/ywca-nyc](http://www.linkedin.com/in/ywca-nyc)

Influencers and groundbreakers in business, media, technology, law, medicine and public service are celebrated for their civic involvement, professional accomplishments and enterprising leadership.

SALUTE brings together nearly 500 business professionals who represent the best of our great city.

At SALUTE, YW honors one special woman and one deserving man with two coveted signature recognitions – the Woman of the Year and the Man of the Year awards – for demonstrating a commitment to diversity and supporting female-focused initiatives.

In addition, SALUTE celebrates the contributions of individuals and organizations that have a track record of uplifting communities through philanthropy with the Grace Hoadley Dodge Community Leadership Award.

## **GETTING INVOLVED: NOMINATIONS AND SPONSORSHIPS**

Your organization can recognize incredible women leaders and high-potential talent from your company by nominating them to the YW Academy class of 2018. In addition to joining a network of more than 3,000 women in leadership roles at global entities, participants will:

- Represent and raise the profile of their company's commitment to women's equality and empowerment.
- Meet and network with hundreds of fellow leaders and professionals.
- Be featured in a full page advertisement in *The New York Times*.
- Be featured on our YW website as well as in all collateral about the event.
